On Back**

At PFC, we believe that prisons in developing countries are the final frontier of missions - a virtually unreached people group. Truly, these men & women are the "least of the these" that Jesus referred to in Matthew 25:40.

Not only does PFC preach the Gospel to inmates, but we also bring humanitarian aid such as food, clothing, soap, medicine, recreational equipment, Bibles, and books.

**THE MISSION**  
**Preach the Gospel in adult and juvenile prisons around the world**  
**Plant national prison ministries**  
**Raise up & train local missionaries**

As we meet inmates' physical needs through humanitarian gifts, PFC gains favor with government & prison officials who gladly accommodate us during our campaigns.
