PRISONERS FOR **CHRIST**

**INTERNATIONAL
PRISON
MINISTRIES**

**TAKING THE GOSPEL OF JESUS CHRIST
TO THE LEAST OF THE LEAST
AND THE ENDS OF THE EARTH**

At PFC we believe that prisons in developing nations are one of the last frontiers of missions; a virtually un-reached people group. Truly, these men and women are the “least of these” that Jesus referred to in *Mt. 25:40*.

As the Lord has opened the nations to us, we have seen *the harvest is great but the laborers are few*. We have developed a strategic plan to establish 20 PFC Foreign National Missionaries world wide by 2016. It is our goal to train and equip local missionary partners and volunteers to be God’s reapers in this great field!

The people of Africa, India, Southeast Asia and Central America face both spiritual and natural oppression everyday. And the prisoners of these nations are all but forgotten. In fact, the governments have welcomed us to help as the problem is beyond their means.

Not only does PFC bring our ministry methods and bible teaching to lead and disciple inmates into true relationship with Jesus Christ, we bring humanitarian aide as well! Food, clothing, soap, recreation equipment, bibles, books and medicine along with skilled medical personnel help us minister to the whole person. If you could just see the appreciation on the faces of these inmates receiving these simple gifts, it would bring tears to your eyes as it has for us.

We are making a powerful impact on inmates, prisons, communities and nations as we plant, water and nourish these ministries, prison churches, local churches, Pastors, Leaders and Evangelists! God is using ordinary men and women like you to be a mighty army for Christ. To shine the light in dark places and see a bright new hope and future for the outcasts of the world.

Please stand with us and see the miracles that God has planned come to life. The prisoners of the world thank you for your prayers and help!

THE MISSION

Take the Gospel of Jesus Christ into the jails, prisons and juvenile institutions of the world, plant national prison ministries and raise up local missionaries in the nations where He sends us!

MINISTRIES

We have established works in Russia, Kenya, Rwanda, Uganda, Burundi, DR Congo, Ghana, and India. We are in the process of starting new works in Togo, Burkina Faso, Malawi, Northern India, and Nepal.

OBJECTIVES

- Train and equip Pastors, Leaders and Volunteers to be highly effective in prison ministry and train churches to recruit additional volunteers.
- Raise up National Missionaries to oversee the work of PFC in their respective regions of the world.
- Bless the National Missionaries and Volunteers who work with us to reach the inmates in foreign countries with encouragement and resources.
- Hold Gospel Crusades in overseas prisons to see men and women saved from sin, healed from sickness and delivered from bondage!
- Establish Churches and Bible Schools inside the prisons so that men and women will become true disciples of Jesus Christ.
- Work with Government Officials to keep the doors open for the Gospel and to meet the spiritual and physical needs of the inmates.
- Provide humanitarian aid, medical treatment, bibles and literature to the prisoners, prison staff and to their families
